

## Parking for Dungeness Angling Association Members During Shingle Extraction Works

Shingle extraction will be taking place at Dungeness during January, February and March 2015 on weekdays only. During this time DAA members will still be able to access the site with vehicles, but we ask them to observe the following restrictions:

- Please keep the gate locked as normal.
- Please only park in the areas identified on the map above.
  - There will be no site traffic on the area marked in green so parking will not be restricted.
  - Please only park at the seaward edge of the area marked in yellow due to site traffic.

- Please give way to site traffic.
- When on foot please do not enter the area of beach where work is taking place. This will be clearly marked by signs.

We thank you for your co operation and look forward to sharing this unique site with you in future years.
