

HAVE YOU RENEWED FOR 2010

You can renew your membership, pop in to Seagull Fishing Tackle at Greatstone to renew your membership.

The deadline is the 1st of February

Remember if your membership lapses and if the club has to limit it's membership you will have to join the queue!

The membership has been held this year again to £5. Of that £2 is 'ring-fenced' for the Romney Marsh Countryside Project to part fund the beach cleaner at Dungeness, this we believe gives fishermen more 'ownership' of the point. Keys to the barrier are available as usual to members from Richardson's Fish Shop (opposite the Pilot) and at Seagull Fishing Tackle Greatstone. Affiliated Clubs wanting to use the road must for their matches must book through our Match Captain Steve Field to help prevent over crowding.

The Club needs more volunteers so please come to the AGM

So if you can help run the Club in any way... don't be shy give Tony a call on 01797 366837

NEWS WINTER 2010

2009
**We shall not see
his like again!**

Dick Penny sadly passed away on the 28th of November 2009.

Dick was a likable man who did a great deal for match angling and was also a valued member of the DAA committee. He was a gentleman, very kind, helpful and polite. Dick was one of a kind, irreplaceable and will be sadly missed.

Dick was one of the nicest people we have ever had the privilege to know and work with, his funeral was so well attended by the angling fraternity and his popularity was clearly evident. His input shall be sorely missed by many including DAA.

Kim and I were asked to take over the running of the DAA RNLI open at Dungeness a few years ago, following the many years of Dick running the show. Indeed Dick carried on with assisting us running the matches after he handed over the reigns. Therefore DAA will rename their annual RNLI open as follows.

Following discussion with the DAA committee we are renaming the future events the Dick Penny RNLI open. Another very close friend of Dick, Steve Allmark is arranging for a new trophy for the event which is traditionally held in late March at Dungeness. The RNLI open was always Dick's event and it is entirely appropriate that the event should now carry his name therefore honouring his commitment to Sea Match Angling and DAA.

RIP Dick
